Mail: Level 12, 333 Ann Street, Brisbane Qld 4000

- cannot transfer funds from any other account to the Card Account.

The Cardholder may use the Card to pay bills (except where doing so would constitute obtaining a cash advance – such as the payment of credit card bills).

We do not warrant or accept any responsibility if any merchant or an Electronic Banking Terminal does not accept the Card, except to the extent there has been fraud, negligence or wilful misconduct on our part (including that of our officers, employees, contractors or agents).

The Card may not be used, and authorisation will be declined, for transactions relating to any form of gambling or gambling services, and the purchase of money orders and traveller's cheques.

The Cardholder should ensure that the transaction amount is correct before they sign vouchers or transaction records given to them by merchants, and before the Cardholder enters their PIN at an Electronic Banking Terminal. By signing a voucher or transaction record, or entering the PIN, the Cardholder indicates their agreement that the transaction amount is correct.

We may restrict or stop the use of the Card if excessive uses of the Card or other suspicious activities are noticed.

15.6. LOADING OF VALUE

Value can be loaded to a Card Account only as specifically provided in these Terms and Conditions and subject to the limits shown in Section 15.9.

15.7. FEES, CHARGES AND COSTS

You agree to pay the fees provided in this PDS. Whenever any of these fees are incurred or become payable, in respect of a Card, you authorise us to deduct it from the value stored on the Card's Card Account.

Applicable fees are as follows:

Fees and Charges to be paid by the Cardholder	
Fees and Charges (deducted from the Value on the Card)	Amount
Primary Cardholder Monthly Card fee	Nil
Monthly Inactivity Card fee (charged monthly after 12 months of Card inactivity)	\$4.40
Foreign exchange fee (if the Card is used for purchases in any currency other than Australian dollars or purchase with any merchant located outside of Australia)	2.99%
Disputed transaction fee (per transaction)	\$11.00

All transaction fees are charged at the time of transaction and, where applicable, are included in the total purchase price.

All fees and charges are expressed in Australian dollars and are inclusive of any applicable GST.

Certain merchants may charge an additional fee if the Card is used to purchase goods and/or services. This fee is determined and charged by the merchant and is not retained by us.

15.8. FOREIGN TRANSACTIONS

The Available Balance on a Card is in Australian dollars. Transactions made in a currency other than Australian dollars will be subject to the prevailing Mastercard exchange rate at the time plus a 2.99% foreign exchange fee. Example of Foreign Exchange Fee:

A Cardholder make a purchase from a merchant located outside Australia (e.g. USA);

At the time, Mastercard's prevailing exchange rate is US\$1.00 = \$0.95 Australian;

The Cardholder spends US\$200.00;

The Australian dollar amount is US\$200.00 x \$0.95 = \$190.00;

The foreign exchange fee is therefore 2.99% x \$190.00 = \$5.68

For a full listing of fees and charges, please refer to section 15.7 Fees, Charges and Costs.

15.9. LIMITATIONS OF USE OF THE CARD

Subject to the limits set out below, transactions must not exceed the available credit balance of the Card Account from time to time. The credit balance can be accessed following the loading of Value to the Card Account by you.

The following limitations apply to the Card:

- the Card may not be used for, and authorisation may be declined for, any illegal transactions; and
- some retailers may choose not to accept prepaid Mastercard cards.

The following table illustrates the transaction and load limits applicable to the Card. Merchants or other providers of facilities may impose additional limits.

Transaction limits which apply to the Card	Limit Amount (AUD)
Maximum Point of Sale per transaction	\$5,000

Daily Point of Sale Limit	\$5,000
---------------------------	---------

15.10. PIN

The PIN will be provided to a Cardholder in the PIN Mailer. The Cardholder must not disclose their PIN to any other person. Should an incorrect PIN be entered three times when a transaction is attempted using the Card, the Card will be suspended for 24 hours.

To change a PIN, the Cardholder should:

- go to www.southgatesalpack.com.au/resetpin;
- the Cardholder will be prompted to enter their 16-digit Primary Account Number (PAN) along with personal details to verify their identity;
- following verification of identity, a security number will be sent to either the Cardholder's email address or mobile phone number as registered with the Card. The security number will be required to allow the Cardholder to change their PIN.

If a Cardholder has any technical difficulty retrieving their PIN, they should contact EML on 1300 739 889.

15.11. SECURITY

Cardholders must make sure that they keep the Card, Device and Identifiers and any PIN's safe and secure. The precautions we require the Cardholder to take (Security Requirements) are set out below.

A Cardholder must not:

- allow anyone else to use the Card;
- interfere with any magnetic stripe or integrated circuit on the Card;
- unnecessarily disclose the Card number;
- write the PIN on the Card;
- carry the PIN with the Card;
- record the PIN on anything carried with the Card or liable to loss or theft simultaneously with a device, unless a reasonable attempt is made to protect the security of the PIN; or
- voluntarily disclose the PIN to anyone, including a family member or friend.
- allow someone other than the Cardholder to register a Biometric Identifier on their Device;
- provide any Passcode to another in order to access their Device.

15.12. AUTHORISED TRANSACTIONS

Certain transactions on the Card Account may need to be pre-authorised before they can proceed. Prior to any transaction being completed, the merchant or other person involved in the transaction may obtain a pre-authorisation for the transaction.

We may not pre-authorise a transaction if the transaction would either cause the Card Account to go into Negative Balance or increase the amount of any existing Negative Balance. Once an authorisation is obtained, it will reduce the amount of available funds in the Card Account.

If the purchase or other transaction of the pre-authorised amount is not completed, the amount of available funds in the Card Account may continue to be reduced in the amount of the pre-authorisation for up to five Business Days after the pre-authorisation is obtained.

15.13. PAYMENTS TO THE CARD ACCOUNT

Purchases made with a Card (and other fees and charges debited to the Card Account) will reduce the Available Balance of the Card Account which is available to spend using the Card. Transactions made by the Cardholder must not exceed the Available Balance of the Card Account from time to time.

If a Cardholder makes, or attempts to make, any transactions that exceed the Available Balance of the Card Account then you will be liable for any Negative Balance, along with any costs or interest we incur in recovering or attempting to recover from you the amount you owe us. Similarly, a merchant may process a transaction without receiving authorisation from EML, resulting in an 'offline transaction'. If an offline transaction results in a Negative Balance, then you will be liable for any Negative Balance, along with any costs or interest we incur in recovering or attempting to recover from you the amount you owe us.

If a Negative Balance arises, that does not mean that a Negative Balance will be allowed to arise or be increased on subsequent occasions. If the Card Account has a Negative Balance, such balance is a debt immediately payable by you.

We may determine the order in which payments made to the Card Account will be applied.

15.14. LOSS, THEFT AND MISUSE OF CARDS

If you or the Cardholder know or have reason to suspect that the Card or Device has been lost, stolen or damaged, likely to be misused or you or the Cardholder have reason to suspect that someone else may know the Device Passcode or PIN, you or the Cardholder must notify your Salary Packaging Provider PROMPTLY by:

- contacting Southgate on 1300 132 500 between 8am and 6pm Monday to Friday; or
- contacting EML on 1300 739 889 after business hours; or
- sending a notification by email to support@emlpayments.com.au.

We will then suspend the relevant Card or restrict further use.

If you or the Cardholder make a reasonable attempt to contact Southgate or EML by telephone during the hours of operation stated above and Southgate or EML is unable to answer your call, you or the Cardholder will not be liable for any losses occurring due to non-notification provided that you or the Cardholder notify Southgate or EML on the next Business Day or within a reasonable time.

You or the Cardholder may be required to confirm details of the loss, theft or misuse in writing (and to provide particular information in the confirmation) and must comply with that requirement.

If any lost Device is subsequently found, the Cardholder must not attempt to use the Card associated with that Device.

15.15. LIABILITY FOR UNAUTHORISED TRANSACTIONS

Where you are not liable

You will not be liable for losses resulting from Unauthorised Transactions where it is clear that you have not contributed to the loss.

You will not be liable for losses resulting from Unauthorised Transactions that are caused by:

- fraud or negligence by our employees or agents, a third party involved in networking arrangements, or a merchant or their employee or agent;
- a Card, Identifier or Pass Code which is forged, faulty, expired or cancelled;
- a transaction requiring the use of a Card and/or Pass Code that occurred before the Cardholder has received the Card and/or Pass Code (including a reissued Card and/or Pass Code);
- a transaction being incorrectly debited more than once to a Card; or
- an Unauthorised Transaction performed after you or a Cardholder have informed us that the Card has been misused, lost or stolen, or the security of a Pass Code has been breached.

You are not liable for loss arising from Unauthorised Transactions that can be made using an Identifier without the Card or a PIN. Where a transaction can be made using the Card, or a Card and an Identifier (such as a contactless purchase using the Tokenised Card) but does not require a PIN, you are liable only if you unreasonably delay reporting the loss or theft of a Device or the Physical Card.

Where you are liable

You will be liable for losses arising from an Unauthorised Transaction if we can prove on the balance of probability that you or the Cardholder contributed to those losses by unreasonably delaying reporting the misuse, loss or theft of a Card, or that the security of all PINs has been breached. In those circumstances, you are liable in full for the actual losses that occur between when you or the Cardholder become aware of the security compromise, theft or misuse of a Device, or should reasonably have become aware in the case of a lost or stolen Physical Card, but:

- you are not liable for the portion of losses incurred on any one day in excess of any applicable daily transaction limit; and
- you are not liable for the portion of losses that exceeds the Available Balance.

Where a PIN was required to perform an Unauthorised Transaction, and the above clauses do not apply, you will be liable for the least of:

- \$150; or
- the Available Balance; or
- the actual loss at the time that the misuse, loss or theft of a Card or breach of PIN security is reported to us, excluding that portion of the losses incurred on any one day which exceeds any relevant daily or other periodic transaction limit.

If you report an Unauthorised Transaction, we will not hold you liable for losses arising from the Unauthorised Transaction for an amount greater than your liability if we exercised any rights under the rules of the Mastercard scheme, at the time of the report, against other parties to the Mastercard scheme (for example, chargeback rights).

Important Information about Chargebacks

In some circumstances, you or a Cardholder may be able to request a chargeback of a transaction when there is a dispute with a merchant, such as the merchant's failure to supply the goods or services paid for.

A chargeback is a right under the Mastercard Scheme Rules by which a transaction can effectively be reversed by us debiting an amount to the merchant's financial institution and crediting back to the Available Balance. We can only process chargebacks if the Mastercard Scheme Rules allow us to.

If a Cardholder believes that they are entitled to a chargeback, the Cardholder must notify us as soon as possible by contacting their Salary Packaging Provider or EML.

The Mastercard Scheme Rules impose time limits for initiating chargebacks. The time limit is generally 90 days from the date of the disputed transaction.

If a Cardholder requests a chargeback, we may need you to provide additional information. If we do ask for additional information that is reasonable in the circumstances and the Cardholder does not provide it within 10 days, then the Cardholder may lose any rights to the chargeback and if it has already been processed, we may reverse it.

Please note that if we process a chargeback, the merchant may have rights under the Mastercard Scheme Rules to have the transaction investigated further, and this can in some circumstances result in the chargeback being reversed (which means the original transaction might be reinstated by being debited to the Available Balance).

You acknowledge that you will not receive paper statements from us regarding the operation of your Card Accounts. Card Statements showing the transactions on Card Accounts and their Available Balance are available on the Website.

A Card Account's balance and transaction history will be made available 24 hours a day, 7 days a week, through the Website or the Device and can be accessed as instructed on the PIN Mailer at no charge (see section 15.5 "Using Your Card").

If you or a Cardholder notice any error (or possible error) in any transaction or statement relating to a Card, then you or the Cardholder must notify EML promptly. We may request additional written information concerning any error (or possible error) and you or the Cardholder must comply with that request.

It is the responsibility of the Cardholder to regularly review their transaction history to identify Unauthorised Transactions.

15.17. CARD EXPIRY

A Card is valid until the expiry date shown on it, unless cancelled before.

A Card cannot be used after expiry. A Cardholder cannot access any value loaded on the expired Card unless a replacement Card is issued to the Cardholder.

15.18. REPLACEMENT CARDS

We may issue a new Card to the Cardholder at any time. The use of all such Cards are subject to these Terms and Conditions. You will need to register and activate the new Card in accordance with section 15.5 and add your Tokenised Card to your Device Wallet.

A replacement Card will be reissued to a Cardholder prior to its Expiry Date unless EML have received notice from the Salary Packaging Provider that the Cardholder is no longer a party to a Salary Packaging Arrangement, or we decide not to. This includes where we have otherwise cancelled the Card or terminated the Card Account.

If we decide not to reissue a Card we will provide you with at least 14 days notice.

15.19. CARD CANCELLATION AND TERMINATION

Where a Card has been cancelled by us, or you have terminated the Card Account the Cardholder must promptly destroy the Card by cutting it diagonally in half and remove the Tokenised Card from the Cardholder's Device Wallet.

Any Available Balance on the cancellation or expiry of the Card or the termination of the Card Account will be refunded to you.

We may cancel a Card at any time with at least 14 days notice to you. From the date we notify you that we have cancelled a Card, the Card must not be used and must be destroyed. You must pay any outstanding Negative Balance of the Card Account in full to us promptly. We may cancel a Card immediately and without notice if:

- we have reason to suspect the Card has been or is likely to be misused;
- you or the Cardholder breach any of these Terms and Conditions and we reasonably consider that this is likely to have a material impact on your ability or the Cardholder's ability to meet the obligations of these Terms and Conditions);
- we have reason to suspect any illegal use of the Card, such as fraud or criminal activity; or
- you or the Cardholder gave us false, inaccurate or incomplete information when you or the Cardholder applied for the Card.

15.20. TERMINATION OF THE CARD ACCOUNT

You may terminate a Card Account at any time by:

- giving us written notice through your Salary Packaging provider;
- returning the applicable Card (and any Card issued to a Secondary Cardholder) to us; and
- paying the outstanding Negative Balance of the Card Account (if any) to us.

We may terminate a Card Account if a Cardholder does not (or any Secondary Cardholder does not) comply with these Terms and Conditions or if we cancel the applicable Cards. On termination of the Card Account, you must destroy the Card (and any Card issued to a Secondary Cardholder) it by cutting it diagonally in half. You will remain liable for any transactions debited to the Card Account that were made prior to termination which have not been cancelled. You may have to pay us reasonable enforcement expenses under these Terms and Conditions in the event of a breach.

15.21. LIABILITIES AND DISCLAIMERS

We are not liable:

- if, through no fault of our own, the Available Balance is not enough to cover a transaction;
- if, through no fault of our own, a terminal or system does not work properly;
- if circumstances beyond EML control prevent a transaction, despite any reasonable precautions having been taken by us;
- for any loss resulting from any failure due to events outside our reasonable control;
- for any loss resulting from any system failure or industrial dispute outside our reasonable control;
- for any industrial dispute;
- for the way in which any refusal to accept the Card is communicated;
- for any dispute between you or the Cardholder and the supplier of any goods or services purchased with the Card;
- for any infringement by you or the Cardholder of any currency laws in the country where the Card is issued or used;
- for our taking any action required by any government, federal or state law or regulation or court order; or
- for anything specifically excluded or limited elsewhere in these Conditions of Use,

except to the extent that the liability is caused by our fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents)

However:

- your liability for Unauthorised Transactions will be determined according to the ePayments Code; and
- we will not avoid any obligation to you under the ePayments Code on the basis that another party to a shared electronic payments network (to which we are also a party) has caused the failure to meet the obligation.

Our liability in any event shall not exceed the amount of the Available Balance except in relation to:

- Unauthorised Transactions; and
- consequential losses arising from a malfunction of a system or equipment provided by any party to a shared electronic network (unless you should reasonably have been aware that the system or equipment was unavailable or malfunctioning, in which case our liability is limited to correcting any errors and refunding any fees or charges imposed on you or the Cardholder).

If any warranties or conditions are implied because of Part 2 of the Australian Securities and Investments Commission Act 2001 or any similar law in respect of services supplied under these Terms and Conditions or in connection with the Card Accounts, then our liability for a breach of such a warranty or condition will in any event be limited to:

- the supplying of the services again; or
- the payment of the cost of having the services supplied again.

EML:

- does not make or give any express or implied warranty or representation in connection with the Card Accounts (including quality or standard or fitness for any purpose); and
- is not liable for any loss you or the Cardholder suffer (including indirect or consequential loss) arising in connection with the Card Accounts (whether a failure to provide the Card or its loss, theft or destruction), except to the extent that the liability is caused by our fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents).

EML's obligation to the Cardholder in relation to the functionality of the Device Wallet is limited to securely supplying information to Pays Providers in order to allow the use of the Card within a Device Wallet. EML is not otherwise liable for the use, functionality or availability of the Device Wallet, the availability of compatible contactless terminals, or a reduced level of service caused by the failure of third party communications and network providers, except to the extent that the liability is caused by our fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents) .

The Cardholder will need to agree to the respective Pays Provider's terms and conditions in order to use the Tokenised Card.

Any failure or delay to enforce a term of these Terms and Conditions does not mean a waiver of them.

15.22. ANTI-MONEY LAUNDERING AND COUNTER TERRORISM FINANCING OBLIGATIONS

EML is subject to the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 and the rules and other subordinate instruments under the Act (AML/CTF Laws) and EML is obliged to collect certain identification information from the Cardholder (and verify that information) in compliance with the AML/CTF Laws. Customer identification information may include detailed 'know your customer' (KYC) information about the Cardholder such as:

- name, and
- address, and
- date of birth.

EML may be prohibited from offering services or entering into or conducting transactions if the Cardholder does not provide this information. Further, EML may cancel a Card if the Cardholder does not provide this information.

You should be aware that:

- EML is not required to take any action or perform any obligation under or in connection with a Card if it is not satisfied as to the Cardholder's identity, or where there are reasonable grounds to suspect that by doing so it may breach the AML/CTF Laws;
- transactions may be delayed, blocked, frozen or refused where we have reasonable grounds to believe that they breach Australian law or sanctions (or the law or sanctions of another country). Where transactions are delayed, blocked, frozen or refused, EML is not liable for any loss you suffer (including consequential loss) howsoever caused in connection with a Card, except to the extent that the liability is caused by our fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents);
- EML may from time to time require additional information from you to assist us in the above compliance process; and
- where legally obliged to do so, EML will disclose the information gathered to regulatory and/or law enforcement agencies, other banks, service providers or to other third parties.

You provide EML with the following undertakings and indemnify EML against any potential losses arising from any breach by you of such undertakings:

- you and the Cardholder will not initiate, engage or effect a transaction that may be a breach of Australian law or sanctions (or the law or sanctions of any other country); and
- the underlying activity for which your Card Accounts are being provided does not breach any Australian law or sanctions (or the law or sanctions of any other country).
